### Superintendent's Highlights

Dietrich School District No. 314 continues to provide excellent educational opportunities for its students from pre-school through the twelfth grade. A cohesive and caring faculty and support personnel work together to allow Dietrich students to make continuous progress as they move through our school.

Many Dietrich students go on to study in institutions of higher education where they have success and become leaders in our community and state.

School district trustees have authorized using building funds to build a modern gymnasium for our students and community. This is the beginning of a two-part plan that will update the educational facilities in Dietrich and provide appropriate and safe school buildings for the children of Dietrich.
